

## GETTING REVIEWS FOR BOOKS, FILMS, DRAMA, etc.

- Go to the **Library Website** <http://library.edgewood.edu>
- Under **Resources by Subject** select **General and Interdisciplinary**
- Select one of the following resources:

### ProQuest Research Library

- Scholarly & popular periodicals from multiple perspectives from 1985- present, many with full text

The screenshot shows the ProQuest Research Library interface. At the top, there are tabs for 'Basic', 'Advanced', 'Topics', 'Publications', and 'My Research' (with '0 marked items'). Below the tabs, it says 'Databases selected: Research Library'. The 'Advanced Search' section is active, showing three search fields with 'AND' operators. To the right, there is a 'Tools' section with links for 'Search Tips' and 'Browse Topics'. A dropdown menu is open, showing search result options: 'Citation and abstract', 'Citation and document text', 'Abstract', 'Document text', 'Document title', and 'Author'. A yellow callout box points to the dropdown menu with the text: 'Default is Citation and abstract OR Look for your search terms in these specific fields'.

- To search for word variations with unlimited characters use truncation symbol \*:  
*litera\** gets *literary, literature, literatures* as well as *literal, literally*
- To search for single character variations use ?: *wom?n, colo?r,*
- To search for phrases: two words are searched as a phrase: *global warming* For three or more words or for common words use quotation marks: *"the sound and the fury" "that was then"*

Click on the More Search Options tab to search in specific titles or for specific types of articles

The screenshot shows the 'More Search Options' interface. It has a 'More Search Options' tab and a 'Hide options' link. There are two search fields. The first is labeled 'Publication title:' and contains the text '[America: New York(PMID: 29002)] or [T'. To its right are links for 'Browse publications' and 'About'. The second search field is labeled 'Document type:' and has a dropdown menu open showing a list of document types: 'Review', 'Arts/exhibits review', 'Audio review', 'Book review', 'Dance review', 'Film review', 'Opera review', 'Performance review', 'Product review', 'Restaurant review', 'Television review', 'Theater review', and 'Video review'. The 'Film review' option is highlighted in blue.

- Publication title – use browse and find titles **Add to Search** to limit to articles in that title
- Can add multiple titles
- Use Document type to limit to film review, book review, and other specific kinds of articles
